Perlandion of The Continue of

of the Salvation Army forces now operating in Canada, Newfoundland, and North-Western America, to the effect that there has been ruthlessly destroyed an agreement made by his Blackest Majesty "Prince of the Powers of the Air," and King of the Nethermost Regions of Hell, with the poor, deluded slaves of sin, whom he cruelly deceived, and remorselessly dragged, bound in fetters of transgression, from the paths of Godliness, virtue, honesty, sobriety and truth, and to whom he had promised peace, prosperity, happiness and security from all harm.

And interest, under the guise of fashion, pride, pleasure and other intoxicating delusions, having broken the promises contained in the said agreement, and instead thereof has betrayed, decoyed, ensuared and destroyed thousands of precious Blood-bought souls.

2110 117111115, the most brutal atrocities are constantly being perpetrated upon poor innocent men, women and children, by his slaves and agents, robbing them of character, virtue, hope, happiness, and Heaven, and degrading them by compelling them by force, or deceiving them by lies, to become drunkards, harlots, blasphemers, and vagabonds, thus causing sorrow, despair, misery, broken hearts, wrecked homes and early graves to poor, defenseless, helpless children, long-suffering wives and parents, besides hurrying on the victims themselves to fill prison cells, insane asylums, meet the murderer's doom and the suicide's fale, or totter down to the grave, drunken, depraved, dishonored, to be fung into dungeons of blackest woe, and hurled into the fires of an eternal hell, for fiends in their wild glee to mock at their misery and torment forever.

And interest, further information having been placed before me that these monster and sustained atrocties, appalling in their character, increase in number and violence, robbing the church of God of its members, capturing prisoners from the Army of the Lord, despoiling that which is beautiful and best of an All-wise Creator's wonderful works, insulting the messengers of peace, crucifying the Son of God afresh, robbing Heaven of gems bought by Calvary's Lamb to adorn the Royal Diadem.

at having been represented to me that babes born in purity, and children with merry eyes and laughing lips, who rightly belong to God, but who, in their childhood innocence, are being trained and educated for the service of sin and Satan, by Godless, worldly parents, who themselves deceived by the arts and devices of King Beelzebub, unconscious of their own danger and that of their children, allow them to grow up to receive the wages of sorrow and remorse, and unless snatched from the hands of the enemy, cursing God and their parents, to die in their sin.

Newfoundland, and North-Western America, in the Name of God, the King and Ruler of the whole Universe, and in the Name of Jesus Christ, His Son, whose servant and soldier I am, Do hereby declare war, in character more desperate and sustained than heretofore, against the combined forces of darkness commanded by his majesty (the great deceiver) King Beetzebub.

that a two months' campaign, commencing the 28th day of February, in the year of our Lord one thousand eight hundred and ninety-seven, will advance and assault the enemy to destroy every kind of evil work, resulting from sin, such as drink, blasphemy, hatred, half-heartedness, sham, hypocricy, cant, lukewarmness, jealousy, cowardice, fashion, pride, conceit, lie and other enemies of God and Man.
